MISSION MINUTE

Community Involvement

Since our inception, Valley mission has grown to encompass so much more than we could have every dreamed and more opportunities rise up everyday. Our growth is only due to the FANTASTIC community support and involvement. 95% of what we do is dependent on the community of volunteers and partnering agencies who step up and bring action to our vision.

Currently we have nearly a hundred volunteers who make our food pantry hum along like a well oiled machine each week. Still others step in to help with demolition/construction of our facilities. While others find project by project niches that fill holes we need. Watching people from all different background come together to love our community is incredible.

Couple our volunteers with 15 other agencies who work with us to enrich our mission and further expand our clients experience and we get to witness life saving work happening at our doors everyday. Thank you to all who help make the vision of Valley Mission come to life!

You may also call us at any time to make a donation over the phone or set up a tour to learn more about what we do in our community.

Financial giving options:

- Become a monthly donor. For $25 a month you will support the lifesaving work of Valley Mission.
- Give to our building fund. Donate a cinder block for $5000
- Furnish a bedroom for $1000
- Support the laundry mat for $100

Warming Shelter Run Costs:
You may donate any amount you choose. Here are some specific amounts and how they help:

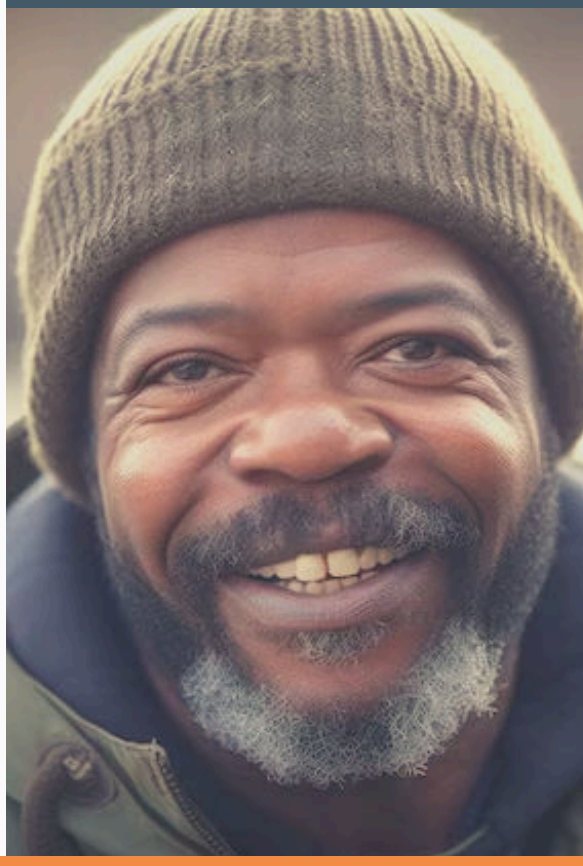

- Provide food, shelter, and case management to 1 person = $51.69

Your donation goes toward more than just a bed for our homeless neighbours to sleep in, and a warm meal for them to eat, but also includes case management, job search help, and the priceless potential of finding new life through an encounter with Christ.

All financial donations are tax deductible.

Let the eagerness you showed in the begining be matched now by your giving. Give in proportion to what you have. Whatever you have is acceptable if you give it eagerly.

Volunteer Spotlight

Holly Reavis is our volunteer of the month! Holly serves with us on Wednesdays setting up the pantry for the following days events. Holly has been serving with us for more than 3 years and jumps in wherever she is needed. She has helped lead many of our new volunteers in understanding our process and flow

Holly has a huge heart and gentle spirit. While she serves humbly along side us she can also be counted on to support and encourage new volunteers and teach them the ropes.

Thank you Holly for your tireless service to Valley Mission! We appreciate all you do.

Donor Highlight

Citizen's Community Bank recently did a fundraising drive to support Valley Mission. To have chosen Valley Mission over the many other outstanding organizations in our great community is truly humbling. Time and time again God shows us that the work that He has lead us to, touches the heart of the larger community. The countless donors who keep our work moving forward is appreciated beyond what words can express. We thank Citizen's Community Bank for all of the efforts that they put into this drive to help make the lives of our hurting neighbours better! THANK YOU!

Even the Son of Man came not to be served but to serve others and to give his life as a ransom for many.
